to enter into a fraudulent and pretended marriage ceremony with plaintiff. That DeHoniesto, in company with Jackson induced her to go to the County clerk's office in the Court house of Marion county, State of Indiana and of fraud and misrepresentation procured from the clerk's office a marriage license.

That at that time there had been no divorce annulment or otherwise setting aside of the pretended marriage to defendants co-conspirator, Benny Jackson. That DeHoniesto knew there had been no such annulment or setting aside of the pretended marriage.

She claims that DeHoniesto knew that Jackson would not live and cohabit with the plaintiff as her husband and entered into a pretended marriage with Jackson to affect said pretended marriage in order that he, DeHoniesto, might continue his acts of corrupting the morals of and debauching her.

She further alleges that DeHoniesto took her to his home in W. 27th street on ay 20, 1925, where plaintiff claims she was his wife. On the 27th day of May, 1926, plaintiff claims she gave birth to another child of defendant.

She claims that although there has been annulment or divorce from the pretended marriage in March of 1928 DeHoniesto entered into marriage with one Effie Ward whose name appears as a co-defendant in the complaint. That said Effie Ward is now posing as DeHoniesto's wife in the latter's home in West 27th St.

Attorney W. S. Henry is representing Marie DeHoniesto No. 1 in the case.

Constipation Often Causes Sickness "About fifty years ago," says Mr. Lewis G. O'Shields, of Portersville, Ala., "my mother gave me the first dose of Black-Draught, and I have taken it ever since, when I needed a medicine for constipation. I have used this remedy all my married life, in raising my children. I have used Black-Draught frequently for heartburn, as I have had spells of this kind, off and on, for years. This follows indigestion, and indigestion comes close on constipation. "I have found that the best way to head off trouble is to begin taking Black-Draught in time. It relieves me of dizziness, tightness in the chest and backache. "By getting rid of impurities, Black-Draught helps to keep the system in good order. I always keep it in the home, and have recommended it to many people, in my time. I always say a good word for a good medicine." Sold by all druggists.

Police Officer Beats Man On Trigger Shoots

If ever James Walker, 29 years old, 1815 Broadway Terrace, recovers from his present very serious predicament, he will know more of the benefits derived from promptly obeying an officer's command to "Drop that gun." Walker was shot and seriously wounded by Officer Paxton, Monday morning when he refused to comply with the officer's command to drop a revolver he was pointing at the patrolman. Walker was being sought by Paxton and Patrolman Hardy after it was reported that Walker had beaten his wife and threatened to kill her.

Walker was pursued by the patrolman through yards and alleys and suddenly lost sight of after a long and persistent chase. The wounded man is charged with having threatened to shoot Paxton when he unexpectedly appeared from between two houses in Northwestern avenue. Walker was shot, it is alleged, while in the act of taking a deliberate aim at the officer that shot him. When Walker ignored his command to "Drop that gun," Paxton fired twice the bullets striking Walker in the abdomen, critically wounding him. Walker was rushed to the City hospital.

Property Case Settled Out Court

The case of Marshall Davis and the Building and Loan association wherein it is alleged the latter concern sought to ignore certain stipulations in a business contract with Davis, has been amicably adjusted.

The case, which caused quite a bit of comment of an unusual nature among property owners in the vicinity of the Crispus Attucks High school, was settled satisfactorily outside the courts, according to Mr. Davis.

Mr. Davis is one of the many property holders that sold out to the school board recently to make way for the athletic field to be constructed back of the Attucks high school.

The controversy, it is alleged, was brought about between Mr. Davis and loan association, due to certain circumstances involved in the school board deal on the part of Davis.

Mr. Davis is the proprietor and manager of the barber shop by that name at West and Tenth Sts.

NOTED MUSICAL DIRECTOR TO PRESENT ORATORIO

Under the direction of Prof. H. B. Johnson, director of music for the National Baptist convention of America, a chorus of 200 voices is being trained to sing The Story of The Lord's Supper, an oratorio written by Hiram Simmons of Norfolk, Virginia. The text of this oratorio is taken from the 14th chapter of Saint Mark. It begins with the first verse and runs through the entire chapter of 72 verses. This is said to be the biggest composition in sacred music ever written by a member of our Race. It is to be presented at the Mt. Paran Baptist church, Wednesday evening October 23rd, at 8:15 o'clock.

TUSKEGEE MENTOR WORKS FOR CLARK FRAY

TUSKEGEE INSTITUTE, Ala., October 16.—Tuskegee football activities for the past week have been centered upon the contest with Clark university at Legion field, Birmingham, Ala., Oct. 13, and the great inter-sectional game with Wilberforce at Soldiers field stadium, Chicago, on October 26.

Realizing that victory over the Clark Panthers is highly desired in order to go into the Soldiers field game with a clean slate, the coaches are bending every effort to have the Tigers in prime condition. Up to the present Tuskegee has not shown any great strength, but the Tuskegee rooters are confident of more in the way of a finished eleven than they have seen in previous games.

Offensive power is being doted on by the Tuskegee coaches. They seem satisfied with the team's defensive strength, but the offense has been weak and slow getting started.

Preparations during the coming week may include a scrimmage either Monday or Tuesday. The remainder of the time will be spent in polishing up the team in the finer points of the game.

The coaches are very secretive concerning the lineup which will start against Clark and may arrange a last minute shake-up before game time. But it seems likely that the same team that played in the first two games, along with those players who were kept out because of injuries will go down the field on the opening kickoff against the Clark Panthers.

The game with Clark will make Tuskegee's first appearance in Birmingham since 1921.

It is evident that Tuskegee is going to use its forward passing attack with Harrison and Johnson on the throwing end. The team has been practicing the passing game and has shown a great deal of accuracy in the timing, throwing and receiving of the aeriels.

MUSICIANS' STRIKE IN PHILADELPHIA PHILADELPHIA MUSICIANS' STRIKE MAY BE FAR REACHING—NEW YORK PRODUCERS APPEAR ALARMED

PHILADELPHIA, Oct. 18.—(DNB)—The musicians' strike in this city is reported far from settlement. In fact, conditions are so acute that New York producers are quite frankly alarmed at the situation which they say might easily lead to a sympathetic strike in all of the Shubert and Erlanger theatres in New York and throughout the country.

The Philadelphia quarrel is with the Shubert and Erlanger houses. Payment of musicians on "dark" weeks is the chief issue. While independent theatres in New York would not be affected, should the strike be called, producers emphasize that the number of these theatres is less than that controlled by Shubert and Erlanger. Out on the road practically all the theatres are Shubert or Erlanger controlled.

Despite the statement of Joseph N. Weber, president of the American Federation of Musicians, that the sympathetic strike is only a remote possibility, producers say the musician's union is determined to force the Philadelphia theatres to meet their demands, which is a guarantee of thirty full weeks work yearly and that musicians be employed for every stage production. The owners' response is that they cannot meet this guarantee.

LAFAYETTE THEATRE CHANGES ITS POLICY
NEW YORK, Oct. 12.—Jimmie Marshall, manager of the Lafayette theatre, New York City, announces that this theatre changes its policy from Monday openings to Saturday. The change will enable the management to secure the B-K-O attractions which recently have been unable to play the Lafayette because it would mean a day's lay off. This policy goes into effect Saturday, Oct. 19.

BROADWAY IS TO SEE JO' BAKER'S PLAY IN OCTOBER

NEW YORK, Oct. 18.—Jack Goldberg, managing director of Gold Talking pictures, Inc., the producing company which recently imported Josephine Baker's seven reel feature, "Siren of the Tropics" from France, states that he will bring this attraction to Broadway the latter part of October. Josephine Baker has the leading role in this sound picture which played to record audiences in Paris. The Recording Laboratories of America have just completed the synchronization of the picture in their studios. According to Goldberg, the Baker vehicle will be housed for a run in one of the legitimate Broadway theatres.

Appearing in none of the leading roles with the ebony star is Count d'Abatino who sponsored Miss Baker's appearances at the Folies Bergere and obtained the contract for her with Le Central Cinematographique, the producers of "Siren of the Tropics."

Silas Green Show

By TIM OWSLEY

By the time this reaches the press, the Silas Green show will have passed through the Delta of Mississippi. Monday, the 14th, started our Arkansas engagements by playing Helena. On this trip through the Delta I have witnessed something I never dreamed of, especially in the Christian south. At this season of the year it is cotton picking time in the Delta and money is flourishing. Cotton is worth more this year than ever before. The increase on same has made the laborer's salary better so every one has money now. The Golden west during the gold rush of '49, did not surpass these towns in the Delta where the cotton pickers gather to rid themselves of their earnings. You will find gambling houses wide open with no key to the door. Chicago's underworld section back in 1890 had a more modern touch than these towns in their underworld section. Yet, naturally, it's Negroes and in a Negro section. But there is a reason for everything, I suppose and no doubt one of the reasons for such down in the Delta is, the white folks must have their cotton picked and Negroes are the laborers and as long as no white man is molested this class of Negroes is allowed freedom to live in ignorance without interference by law or anything else, as the money spent in this wild life will no doubt find many channels to return to the white folks and winter will find this class of Negroes one or more days ahead of the bread line, waiting for cotton picking time again. Forgetting politics and social life, no northern city can offer the Mississippi Delta Negro more than he already has.

There are several all colored shows under canvas in this section, but Silas Green show still leads in capacity business everywhere. With such stars as Ford Wiggins, Manzie Campbell, Evelyn White, Mildred Scott, Kite and Marion Grasham, Princes White, Durrah, Dr. Coy Herndon, Paul Carter, Frank Keith, Alonzo Moore, Aaron Silver, Freddie Durrah, Frank Smedley, Mose Penny and others along with a beauty chorus, namely: Julia Lawson, Katie Bryant, Thurlia Hollamond, Dorothy Roumania, Stella Harris, Peggie Sparks, Lillian Johnson, Annie Smith, Elizabeth Rodygan and Birtie Smith. Also a band and orchestra under the direction of F. B. Woods, numbering seventeen. It can be easily seen just why capacity business greets Chas. Collier's Silas Green show. The entire business staff of this show is colored. Johnson Rooks is general manager and J. B. Moore, advertising agent.

Here is some of the Arkansas route; each week we will give you a bit of it: Mariana, 15; Paragon, 16; Jonesboro, 17; Hoxie, 18th; Newport, 19; Little Rock, Sun, and Mon., 20th and 21st.

Valee is also presenting Hollywood's Million Dollar orchestra of 15 pieces as a special attraction and John C. Smith's rejuvenated Harlemites will be added to complete the musical riot.

"ONAGE" Vincent Youmans' musical extravaganza, is now reported to be the all-time champion for postponed premieres. Considering its numerous delays and handicaps, it has been suggested that Vincent Youmans' "Great Day," should be re-christened Vincent Youmans' "Bondage." Because of last minute changes in the cast, this production with Miller and Lyles, Louis Deppe and 40 colored singers is scheduled to open this Monday.

Listen Public

By R. B. SHELTON

I have always known the public pretty well, but I did not realize how much out of touch one could get until I took over the Walker theatre, Indianapolis, Ind.

The first thing I bumped into was the public had changed. When you are dealing with masses of people every day you are too close to see changes working, but when you come back after a year's vacation changes stand out clearly.

This may not be desirable but it is a fact which we who cater to the public must recognize. I find that the public is constantly demanding a change. I realize that here is a problem that is confronting me daily. I am trying to do this without descending too much to the jazz method or full jazz program.

The theatre has many goers, but there are many who do not go, and that number would fill the theatres nightly. Our manner of entertainment would be with speed as the foundation, a sort of concealed speed without tension.

For the benefit of those who are not familiar with the Walker theatre, I might state we have a nine piece orchestra, a \$15,000 Barton organ, a stage large enough to play all classes of shows, a large switch board controlling the entire lighting system, an elaborate cooling system, heavy carpeted foyer and aisles which mean silence. Ladies' rest room with matron in charge; men's rest room, every department fully equipped, competent ushers and polite service from box office to back stage.

I am trying to avoid long waits and useless stage jokes, and long drawn out dialogue to produce a laugh; unnecessary encores will be eliminated.

The shows must move fast with-out rush or excitement. The Walker theatre program will be built on speed, style, color, change, brevity, contrast and sweep. All this with a reasonable amount of motion.

R. BYRON SHELTON,
Manager, Walker theatre.

NOTED WRITER SAYS FEW HAVE DESCRIBED BROADWAY FROM THE INSIDE OR PRESENTED FACTS

By MAURICE DANCER
NEW YORK, Oct. 18.—Other Broadway historians have told from time to time of the more obvious phases of the life of Broadway, or the Grandest Canyon, as we prefer calling it. They have usually sentimentalized it in one way or the other—in the Oh Henry fashion, with pathos or romantic glamour, or in the fashion of some of our most noted Reverends, who can only see in Broadway a Satanic lure, drawing tender souls to perdition.

Few have described Broadway from the inside, even partially. Few have presented facts in a cold, practical fashion. There have been millions of words of generalities printed about Broadway, but not a great many words of specific description. From a standpoint of pure commercialism, Broadway does not differ in many respects from other avenues of trade and barter. On Broadway as elsewhere, the basic commercial principle is to buy something for one price and sell it at another price that is high as the demand warrants it.

That goes for the ticket brokerages, the night clubs, the concert halls, the rackets of all kinds; but no more so than the haberdasheries, the purveyors of the coffee and sundries stands along the Hardened Artery.

The most accurate likeness of Broadway, however, was recently photographed and the statistics collected about the most famous community in the world are herewith carbonated:
Broadway between 7:30 p. m. and 8:30 p. m., presents the most amazing transient statistics of any similar locality in the world. During these hours more than a million people occupy a space 5,280 feet long and less than 2,000 feet wide.

Each individual occupies an imaginary plot 10 feet in area. Just about stretching room.
At 7:30 every night 70 patrolmen and four sergeants re-inforce a staff of 182 to handle the pleasure-bent multitudes—and how they are bent.

Take Your Trouble To Fanny Lou

DEAR MRS. NIGHTINGALE: I am a grown woman, I have no children, but I happen to ride the high school car and see so much vulgarity and rudeness among the young men I am just wondering what you think about them and learn to what you attribute their baseness. S. L.

DEAR FRIEND: I thoroughly appreciate your attitudes, I have often thought on the same question of the breaking down of the social standards by these moderns. I suppose there is no end to the trend of our social order with the underlying principle of unrestrained freedom miscarried. Now to localize it more, I would say that the majority of the elders, namely guardians, parent or who should be affording wholesome examples are falling short of their callings and are living most disgusting lives. The young generation following in their footsteps are simply devoid honor, manliness and those fine qualities that constitute manhood.

FANNY LOU.

Hints To The Hostess

By BETTY BARCLAY FRENCH Caramel Custard Four eggs, six tablespoons sugar, one cup milk and a little water, make this cold, tasteful summer dessert. Separate the egg-whites and yolks and beat the whites until they are firm. Add four tablespoons of sugar to the yolks. Combine the whites and yolks and add the milk stirring the mixture slowly. Make a caramel, using two tablespoons sugar and one-half cup water. Pour this into a tin mold and then add the custard. Place the mold in a pan of water and bake in a slow oven for twenty-five minutes, or until a knife blade will come out clean. When the custard is cold turn it out on a platter and serve it with or without a sauce.

Run-Down

MISS Estelle Elizabeth Pate, 1912 Western Ave., Knoxville, Tenn., writes:

"Last year, while in college, I was studying unusually hard. I found that I was getting thin, and that my health was not very good. I felt tired and worn-out. Instead of my studies being a pleasure, they were a task. It was so trying not to be able to enjoy anything.

"As I knew Cardui was a good tonic, I decided to take it. After taking Cardui, I felt so much better and stronger. I was able to join in all the school activities, and really enjoy them. I took three bottles in all, and gladly recommend it to other girls."

Stardinal Hayes Rebukes Catholic Priests' Stand

NEW YORK, Oct. 25.—Cardinal Hayes, before his departure for Europe, directed and approved the statement of Mr. Thomas M. O'Keefe, pastor of the Roman Catholic church of St. Charles Borromeo in Harlem, denouncing "Jim Crow Christianity" and rebuking

TUSKEGEE ELEVEN WHICH WILL MEET WILBERFORCE IN CHICAGO ON OCTOBER 26TH

Just because the Bluefield eleven held Wilberforce to a 13-13 tie last week, Tuskegee warriors have redoubled their training for the Wilberforce game in Chicago

ALA. TEACHERS WIN 2-0 GAME FROM BROWN

MONTGOMERY, Ala., Oct. 16.—The Alabama State Teachers college Hornets eked out a 2-0 victory over the tough Morris Brown university aggregation in a hectic battle here at the Patterson field last Friday afternoon. It was the second conference game and the second conference victory for the Alabama eleven.

The game started with the advantage in the visitors favor. Most of the first half was played in the Hornets territory with the Atlanta aggregation threatening to score with their bulk and their charging offensive.

The third quarter was quite a disappointing to the visitors. They had the locals with their backs to the wall for the full period but could not break the consistent attack necessary to gain a winning score.

Alabama State showed up well on the defensive with A. Campbell and Coger leading the attack while Johnson turned in a good day with his first tryout at a wing post.

Lineup and summary: Morris Brown Ala. State. McLemore L. E. Anderson T. Smith L. T. Boyd White L. G. Hardy (C.) Daniels C. E. Campbell Moody R. T. Coger T. Robinson B. T. A. Campbell Clay R. E. J. Johnson Bowers Q. Cromer Jones R. H. O. Frazier Daugherty L. H. F. Lewis Nolan F. Burns

Score by periods: Alabama State 0 0 0 0-0 Substitutions: Morris Brown for Whaley for White, Standfield for Smith, Farnell for Moody, McMillan for Nolan, Jones for Alexander, Sterns for Bowen, D. Smith for McMillan, Richard for Clay, Clay for White, Williams for Sterns.

Wilberforce And Bluefield Battle 13-13 Tie; Coach Is Disappointed

WILBERFORCE, O., Oct. 18.—The 13-13 tie that resulted in the game with Bluefield Saturday, Oct. 5, evoked no jubilation from Coach Graves of the Wilberforce Bulldogs. In fact, he was sorely disappointed. Not disappointed so much in the resultant score of the game but in the Bulldogs' miserable showing in the first half and their failure to take advantage of winning "breaks" in the last half.

Whereas Bluefield scored at every scoring opportunity, the Bulldogs lost the opportunity to win twice with victory within their grasp. In the third quarter, the goal kick after touchdown was perfect, but the effort of Terry was to no avail, because of the penalty inflicted on Wilberforce for the alleged "holding" of Lewis.

Bluefield's playing throughout the game was superb; it reflected the benefits of the "tightening up" derived from the A. & T. game of Saturday, September 28, the two weeks' more of training Bluefield had than Wilberforce and of the excellent coaching of matchless material.

Wilberforce, on the other hand, in the first half showed the lack of coordination that all the practice in the world can't bring out like one real game; to have held Bluefield to a tie in Wilberforce's first game of the season without the benefits even of a "tightening up" game would have highly gratified any other coach—but not so Coach Graves; he believes that despite Wilberforce's handicaps that the game should have been won.

He is satisfied, however, that the "do or die" determination—what other team could have come from behind and tied the mighty Bluefield? Only a team in the pink of condition and inspired with the determination to give its best.

This week's coaching is devoted to the task of ironing out the rough spots in the Bluefield game and to accelerating the players' mental attitude up to their playing ability. No more tied games for Coach Graves because of the failure to take advantage of the "breaks" in the game.

All Wilberforce Going to Chicago The hegra of Mohammed has nothing on the flight of every Wilberforce to Chicago, October 26, when the Green and Gold meet Tuskegee. Wilberforce will be like one of the Seven Lost Cities of Cibola; deserted, all animation suspended over the week-end—all Wilberforce will be with its team at Soldiers' field cheering them on to victory.

INDIANAPOLIS CHOSEN FOR GOLF TOURNEY

CINCINNATI, Oct. 17.—(Special)—When "Dick" Jones brought his team of golfers to Cincinnati Sunday, Oct. 13, they won the three-way match between Lexington, Indianapolis and Cincinnati, and took home a beautiful cup as a trophy of an event that in the future will be very outstanding as it is to be held annually.

As this was a real tournament between teams rather scattered, much responsibility of staging the affair was assumed by Captain Jones. With a hearty cooperation of Mr. Swain and Mr. Harry Britton of the Elmwood club, the teams were able to compete in first class style.

Although having been delayed by the late arrival of the Lexington team, due to trouble encountered on the road, the first three some teed off at eleven a. m.

The players competing started in the following order: Cincinnati—Payne, Britton, McCaleb, Rockwell, Hull, Broadus and Calamese; Indianapolis—Henderson, Denny, Ferguson, H. E. Jones, Toles, Hill, Taylor, Sylvester, Pope, Ed Jones, Lexington—Blackburn, Hathway, Bell, Turner, Langford, Simms, Cruise.

The Indianapolis team took the lion's share when James Denny laid down the low score to clinch first prize and "Dick" Jones took fourth place. Second and third places were won by Cincinnati favorites, "Shakey" Payne, when William Bell of Lexington, who really finds a cup by short routes.

The members and visiting friends of the three teams were entertained by Mr. Joseph Broadus and Mr. Harry Britton. Indianapolis was tentatively chosen for the next tournament.

Final scores: Indianapolis, 30; Cincinnati, 20; Lexington, 13.

TUSKEGEE BEATS ARMY

TUSKEGEE INSTITUTE, Ala., Oct. 11.—Flashing out straight football Tuskegee's powerful gridiron machine, road roughed over the forces of the 24th U. S. infantry of Ft. Benning, Ga., in the bowl today. The final statistics being 24 to 7.

It was the first defeat of the season for the plucky invaders who only last week scored a 6 to 0 victory over Morris Brown university.

Tuskegee, relying almost entirely upon a line crashing attack, was unstoppable in the first, third and fourth periods. Because of the presence of Clark and Wilberforce scouts, Tuskegee failed to exhibit their sensational aerial attack which crushed A. & T. last week.

Tuskegee tried but 5 forwards during the entire game, completing two of them. The Tigers play Clark in Birmingham on October 13 and Wilberforce at Soldiers field stadium, Oct. 26.

Despite the defeat there is much to be said of the overgame, clean playing of the 24th infantry grid-ers, who many times stopped drives that would have ended in a much larger score against a less stout hearted opponent.

There were a number of players who stood out in the game, including Stevenson, Harrison, McCarty, Harris and Weaver, a Wisconsin boy, all performed remarkably well in the Golden Tiger backfield. Harrison in particular was an outstanding player. The flashy Louisiana Loy repeatedly thrilled the crowd with his sensational off tackle and end runs.

Never has Tuskegee had a more promising pair of backs than McCarthy and Harris. They tore over the turf in great style.

HOWARD SQUAD UNDER BY SMITH GRIDDERS 19-0

WASHINGTON, Oct. 16.—John C. Smith defeated Howard university at Washington today by the score of 19-0. The Golden Bulls showed superiority over the Bison in every stage of the game.

While the Bison concentrated on an effort to stop Bogle, the rest of the Bulls were getting away. The first touchdown was scored in the first quarter with a 25 yard pass from Williams to Martin, who ran 15 yards further for the goal.

The second quarter was played on fairly even terms. The visitors scored their second touchdown in the third quarter on an end run by Williams from Howard's 17 yard line. An attempted pass for the extra point was grounded. Smith scored again in the last quarter on a 20 yard pass from Williams to Walker who carried the ball thru a clear field for the remaining distance. A forward pass from Williams to Walker was good for the extra point.

Hello everybody! Back again with some new players. Had some very interesting games last week. The staff, however, was split up and each side having about as good of material as the other. The games were hard played, each player tried to do his best. 14 men were out each day but we had one big hearted player who took in a lot of balls and refereed.
